Summary: what hapins when soji finds a cat?

cat ?

cat

who's a good cat? who's a good cat? uh soji what are you doing with that cat said shinpachi. oh well i think the cat is sweet so i thout? enway soji what's the cat's name? toshizo. umm soji you rilly think thats a good name, and what about hijikata? then suddenly the door slid open to show sito. a harem kun what's whrong soji and what is a cat doing here? oh im playing with it, then suddenly the cat got up and walked over to sito and sat on his lap. huh? a soji you know that tar are no cats allowed in the shinsingumi. so docent mean we cant keep it said soji. besides all that what's it's name? asked sito. toshizo replied soji. soji do you? i know i said the same said shinpachi.

THE NEXT DAY

hay soji said shinpachi. ah shinpachi as you can see sito is already here i think he took a introits in the cat replied soji. it seems so sines the cat was cerrold up contently on sito's lap pering contententitly. i cn see that but that cat is cosign all sortes of trubbel in all sorts of ways. emmm,homend soji as he looked up from the hike book in his hand with a rice cake in his mouth. soji this thing is cosign roumers, some of the men are saying that that the vice comender is stilling fish,and sleeping with chizeru. at that pont the cat clibend on sito's shoulder and was trying to balins. suddenly thay heard foot steps in a rush coming tar way, then a sudden slame of the shoji door. then a vary loud vows yelled shinpachi,sito,soji what the hell? i jest had a lecsher with camander kondo he said tar have been roomers going around headquter's saying that i have been steeling food,and sleeping with chizuru!,and now she wont come out of her room. then soji stared to laf histicly. then a

meow was heard from behind sito, then shinpachi said hay toshizo be quite. the vice comander looked confused for a moment, then saw a cat he looked quweschuli at it then said what's this? then soji said toshizo meet toshizo insan. the camander looked at the cat then asked why toshizo? because i thout the cat's eye's looked a lout like your's. you idiot soji! what are you doing with a cat? why did you steel my hiku book? oh and the cat has got too go! aaaah but hijikata san the cat was siting in the rain what els could i do. meanwhile wal hijikata was yelling at soji, sito said to the cat don't weary i wont let hijikata do enything to you. sito hissed hijikata i thout you would take my side wale holding soji in a neak grip. well im levying said shinpachi and with that he shut the door behind him.
